DESIGN STUDIOS REVIEW DAY

DATE : Saturday 25th July 2009
PLACE : Cockatoo Island

Please join us on Cockatoo Island, Saturday July 25th to view and critique the proposals prepared by each of the three Urban Islands studios this year.

International studio co-ordinators Mette Ramsgard-Thomsen, Mark Smout and Geoff Manaugh will have spent 12 intense days with their groups of local and international students investigating, speculating and constructing projects for the Island.

Reviews will start at 10.30am with lunch for all guests at 1pm. A bbq and reception will follow the last reviews at around 6pm.

The review day also offers a great opportunity to explore the Island. Ferries now leave for Cockatoo Island on a regular schedule from Circular Quay - see details below.
